Published by Prof. Norbert Ostermann and Wolfgang Rollinger in September 2016, Public Transport - Austria, is a comprehensive reference book on public transport. Various guest authors present basic theories illustrated by practical examples from the German-speaking area, mainly from Austria. Alongside the "basic traffic" theme, Public Transport also contains additional topics on the focus groups "Purchaser", "Operator" and "Passenger". Thanks to its innovative structure, the book is easy to use for users in the transport sector, in education...
