Chapter V

**Regulation 16**

*Maintenance of equipment*

- 1 The Administration shall be satisfied that adequate arrangements are in place to ensure that the performance of the equipment required by this chapter is maintained.
- 2 Except as provided in regulations I/7(b)(ii), I/8 and I/9, while all reasonable steps shall be taken to maintain the equipment required by this chapter in efficient working order, malfunctions of that equipment shall not be considered as making the ship unseaworthy or as a reason for delaying the ship by in the ports where repair facilities are not readily available, provided suitable arrangements are made by the master to take the inoperative equipment or unavailable information into account in planning and executing a safe voyage to a port where repairs can take place.

**Regulation 19**

*Carriage requirements for shipborne navigational systems and equipment*

- 2.11.2 The navigational equipment and systems referred to in this regulation shall be so installed, tested and maintained as to minimize malfunction.

**Regulation 28**

*Records of navigational activities and daily reporting*

- 1 All ships engaged on international voyages shall keep on board a record of navigational activities and incidents which are of importance to safety of navigation and which must contain sufficient detail to restore a complete record of the voyage, taking into account the recommendations adopted by the Organization. When such information is not maintained in the ship's logbook, it shall be maintained in another form approved by the Administration.
